Routine Food Inspection

FIRST CHOICE CATERERS, LLC
FIRST CHOICE CATERERS
8704 W BROWN DEER RD
MILWAUKEE, WI 53224

September 17, 2007

The following list of violations of the Wisconsin Administrative Code as adopted by reference in the Milwaukee Code of Ordinances Chapter 68, and/or other City ordinance(s) must be corrected as soon as possible but not later than the date specified. A re-inspection fee may be assessed if the violation is not corrected by that date. An inspection fee may be charged for any repeat violations.

Fee Amount: \$0.00

Code Number	Description of Violation	Correct By
3-501.13	Observed fish being thawed in pans of standing water. Thawing of food must be under refrigeration that maintains the food temperature at 41F degrees or less or completely submerged under running water at a water temperature of 70F degrees or below. The water velocity needs to be sufficient enough to agitate and float off loose particles in the overflow. Instruct all employees the proper thawing procedure and ensure that it is followed.	10/01/2007
4-501.11	There is a large amount of ice buildup on the floor of the walk in freezer. De-ice the unit and ensure that it functions normally. Ensure that there is no ice buildup inside the walk in freezer.	10/01/2007

Inspection Notes

Note: All non-commercial equipment on the premise for personal use needs to be stored away when not in use (i.e. griddle unit for bacon and the "homestyle" blender). Non-commercial equipment cannot be used to prepare food for customers/clients.

On 9/17/2007, I served these orders upon FIRST CHOICE CATERERS, LLC by leaving this report with
